December 30, 1982

To the Honorable, the Senate:

I have the honor to report to you, pursuant to Article V, Section 6 of the Wisconsin Constitution, that of the 215 petitions for Executive Clemency in which I rendered decisions in the calendar year 1982, the following 61 petitions were granted clemency in the form of a pardon or a commutation of sentence.

1. STEVEN J. ALLEN was convicted in Marathon Circuit Court on October 30, 1979 of manufacture of tetrahydrocannabinol. He was sentenced to one year probation with six months County Jail time. He was granted an absolute pardon because he has had no further offenses, has been steadily employed and has pursued a career in restaurant management. He sought executive clemency to be able to obtain a liquor license to take over his family's supper club.

2. PABLO LABORN ALVAREZ was convicted in Milwaukee County Circuit Court on November 30, 1962 of sexual intercourse with a child. He was sentenced to 3 years at Wisconsin State Reformatory, sentence stayed and given 3 years probation, probation was revoked and

he served 23 months at Green Bay Correctional Institution. He was granted an absolute pardon because he has had no further convictions, his probation revocation was not of a harrassment nature, he has maintained an excellent employment record as a correctional officer for the past 17 years, and he has maintained a good family life. He sought executive clemency to allow him promotions and to pursue further job opportunities in the corrections field.

3. EARL PETER ANDERSON was convicted in Milwaukee Circuit Court on January 29, 1962 of burglary and attempted burglary. He was sentenced to a one year term of probation. He was also convicted in Milwaukee Circuit Court on February 5, 1962 of impersonating a peace officer. He was sentenced to a one year term of probation. He was granted an absolute pardon because he had no subsequent convictions, he served in an exemplary manner in the U.S. Army receiving a good conduct medal and honorable discharge, and because he was 19 years of age at the time of the offense. He sought executive clemency to pursue a career as electronics technician with the Milwaukee Police Department.

4. SHEILA ANN ATKINSON was convicted in Kenosha County Court on December 20, 1976 of uttering a forged instrument. She was sentenced to two years probation. She was also convicted in Kenosha Municipal Court on October 20, 1976 of shoplifting. She was sentenced to pay a fine of \$71. Sheila Atkinson was also convicted in the City of West Allis Municipal Court on January 11, 1977 of shoplifting. She was sentenced to pay a fine of \$100. She was granted an absolute pardon because she had no subsequent convictions, because of her meritorious adjustment while on probation, and because she pursued a career as a court reporter. She sought clemency to obtain licensing as a court reporter for the state courts of California.

5. DARRELL AVERY was convicted in Rock County Municipal Court on April 7, 1955 of larceny. He was sentenced to pay a fine of \$100. He was granted an absolute pardon because he has had no subsequent convictions, because the offense occurred over 27 years ago and because of his excellent employment record. He sought executive clemency to pursue future job opportunities hoping some day to be able to open his own sporting goods business which would require a firearms license.
